To one whose unwavering concern for student needs and deep understanding of student problems have taught us the meaning of unselfish leadership;

To one whose strength of character and awareness of mind have given us hope of future greatness for Mississippi College, in the year of his inauguration we dedicate the 1958 TRIBESMAN to President Richard Aubrey McLemore.

THE TRIBESMAN

The 1958 TRIBESMAN is a pictorial and literary record of the events of the 57-58 session at Mississippi College. The presentation of this yearbook represents long hours of hard work on the part of the whole staff. Many times the midnight oil burned in the little office on the second floor of the Student Center, as the staff raced to meet a deadline. The layout and design work was carefully planned before the school year ever began. Additions cause extra trouble and take more time but somehow, they too, were put into their proper place.

Despite all of the hard labor involved, we of the staff have enjoyed putting out the 1958 TRIBESMAN.

MISSISSIPPI COLLEGIAN

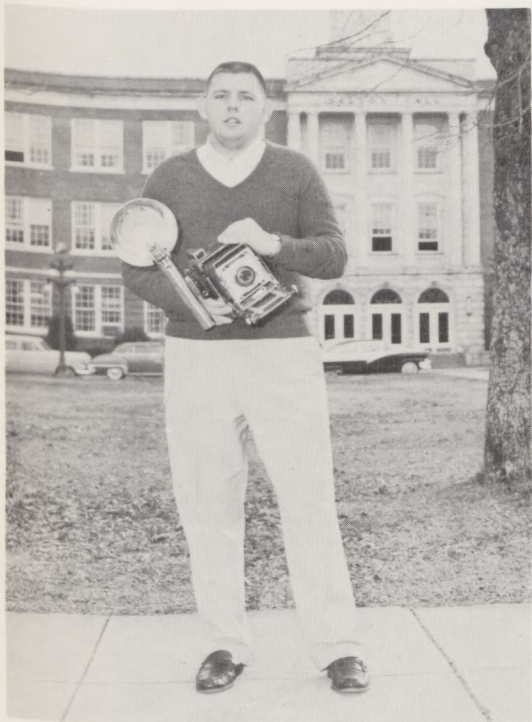

The **Mississippi Collegian** is news to Mississippi College students. On its pages appear from week to week items of interest to every Choctaw. The first issue of the **Collegian** in 1957 saw several changes in appearance. The staff of the newspaper are regular volunteer students, while the editor and business manager are chosen at the close of the preceding session by the Publications Board. Earl Edmondson, junior from Edwards, edited the **Collegian** this year and Stan Rushing, sophomore from Cleveland, was Business Manager. In short, every effort was made to present a more attractive, more readable paper and give the staff members on the **Collegian** a wider field of practical experiences than previously.

MR. STANLEY ROBINSON
Athletic Director

For Mississippi College, as for the pre-season predictions, the 1957 football season proved to be a most unpredictable one. The opening game found M.C. holding heavily favored Delta State to a 19-7 win. A smashing triumph over helpless Millsaps, added to the 6-6 tie with favored Sewanee, established the Murphy-men as one of the best M.C. teams in recent years. The Chocs had a very successful season with the exception of the tragic defeat to Livingston State to end the season.

M. C. 7; Delta State 19

The Mississippi College Choctaws traveled to Cleveland, Mississippi, for their football season opener. Although the favored Statesmen came out on top, the Chocs gave a creditable showing, and showed plans for a good season. Delta State scored three touchdowns in the first half, then held Mississippi College at bay to gain a hard fought 19-7 win. The first touchdown put Cleveland out front 6-0. After some maneuvering by Floyd Smith and Watts, Bryan received a pass from Williamson for the only Mississippi College score of the ball game. The stronger Statesmen scored two more touchdowns with only one accompanying conversion.

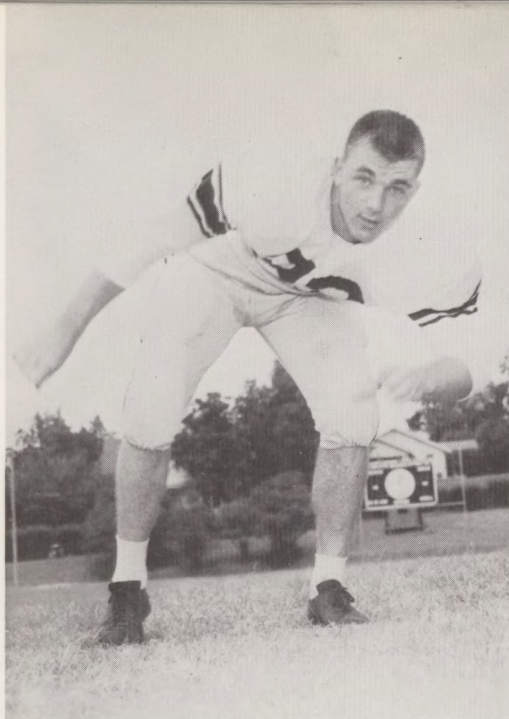

M. C. 19; Southwestern 7

Playing on a thoroughly rain soaked field for the first home game, the Mississippi College Choctaws put the skids under a scrappy Southwest team as they registered a 19-7 triumph over the Lynx. South-

western broke the scoring column with a 7-0 lead. After a set up by Naylor, his co-fullback scored to tie the game. The next touchdown was listed under Bryan, and the third touchdown was accredited to Sellars who received a pass from quarterback Hutton.

M. C. 19; Howard 13

With a 1-1 record the Mississippi College Choctaws went to Birmingham, Alabama to play the Howard Bulldogs and gained their second win of the young season as they downed Howard 19-13. Full-back, DePoyster was the first to break into the scoring column putting the Choctaws ahead 6-0. Howard then scored making the score 7-6. The Chocs bounced back to take a 12-7 lead later in the period. Vicious running and blocking soon had the Choctaws knocking at the goal line again. Glenn Watts pushed over from the one to cap a 73 yard drive. This time Tatum put the ball through the uprights, and 19-7, a familiar combination, appeared on the scoreboard.

M. C. 6; Sewanee 6

The Mississippi College Choctaws, hungry for a third straight victory, almost succeeded when they tied the University of the South Tigers 6-6 in a thrilling exhibition. Sewanee was the first to score and lead at the end of the first quarter 6-0. Mississippi College came back strong in the third quarter when they moved the ball on the kickoff in three plays from the Chocs 12 yard line to the Sewanee three, with Kelly, F. Smith, and Williamson carrying the mail. Sewanee took possession of the ball and kicked out. From there Williamson took charge and tossed to Bryan for the Chocs only score. The extra point failed and the final score stood at 6-6.

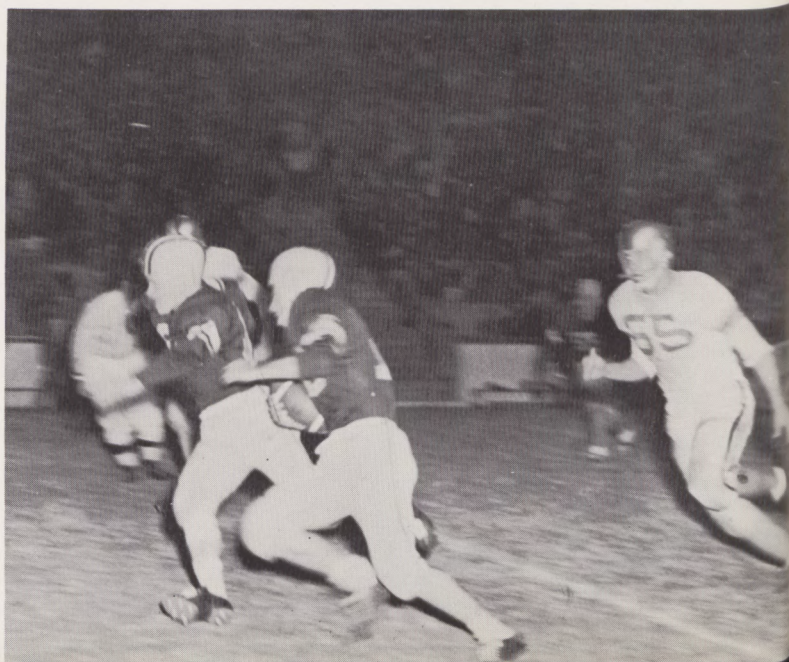

Choctaws 19; Saps 0

Mississippi College Choctaw's traditional arch-rival, the Millsaps Majors were thrashed at Hinds Memorial Stadium in Jackson on Saturday, October 19, 1957, by a score of 19-0. This game was the scene of both schools homecoming events. The Chocs added one more win to the list of the classic struggles which now stands in favor of M.C.-22 wins, only 9 losses, and 5 ties.

The first quarter of the game was eventless score-wise, but upon the approach of the second quarter, the Murphy-men seemed to remember their mission for the night and rather quickly put 6 points on the scoreboard, which in itself would have been sufficient to overcome the seemingly helpless saps. In an attempt to stop the "whitewash," the saps took to the air, but Davis intercepted a pass which set the Chocs in position for another touchdown. Don Reynolds was credited with the score.

The third quarter saw the Choc defense completely crush the helpless Millsaps attack, and at the same time, the Chocs put a little more life into their own offense. The eventful fourth quarter opened with a setup run by DePoyster, followed by Redfords 61 yard touchdown jaunt. Beakes conversion was good, making the score 13-0 for the time being. Naylor went

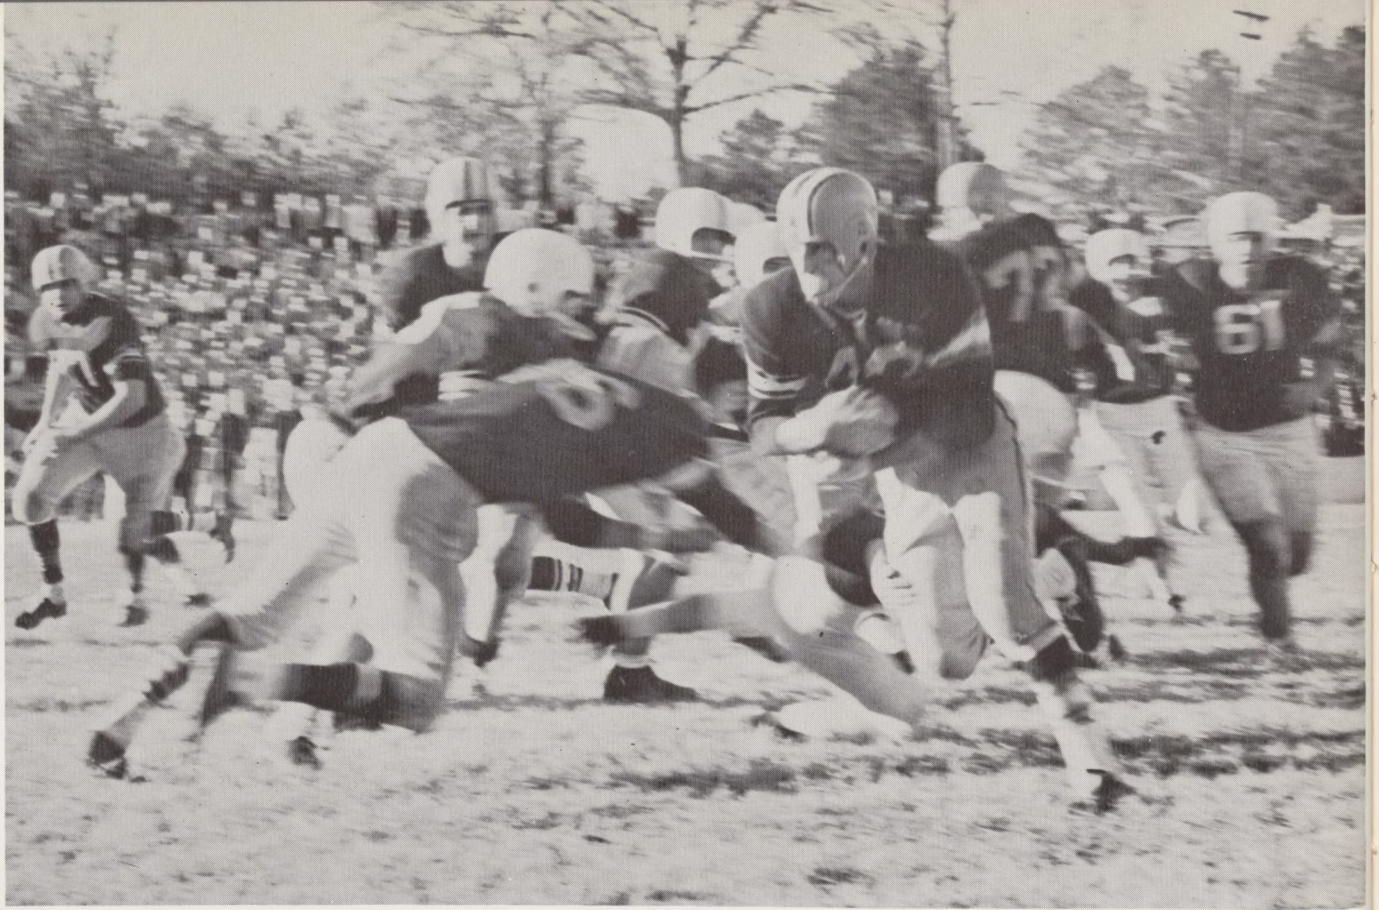

into action and in three consecutive attempts scored from the 21 yard line for the third score of the night. This last tally proved to be the clincher for the defeated Majors, and the Choctaws had once again slaughtered the helpless Majors for another great victory in the series.

M. C. 28; Ouachita 6

The Mississippi College Choctaws continued their winning ways by pounding out a 28-6 victory over Ouachita, which made the seasons record stand at 4 wins, 1 loss, and 1 tie. The first M.C. score was midway in the first period after good running on the part of DePoyster and Watts and then Redford taking the scoring step. The second score came late in the second quarter after an 82 yard drive with the assistance of Reynolds and Hutton. Redford entered the scoring column once again for the Choctaws third tally. The last score for the Chocs was a Redford to Sims pass combination. Wayne Tatum brilliantly kicked the four extra points of the night.

M. C. 46; Hendrix 26

The Mississippi College Choctaws came from behind to hand Hendrix a 46-26 drubbing at Conway, Arkansas. The victory was the fifth in seven games for Murphys men who turned in their best offensive efforts of the season against the Arkansans.

The Chocs jumped ahead in the first quarter when Charlie Davis covered a Hendrix fumble. Redford promptly scored from there, and Tatum kicked the extra point. Hendrix came roaring back with a touchdown, but their efforts were not quite enough to compete with the highly spirited Choctaws.

Redford entered the scoring column three times and DePoyster, Kelly, Naylor, and Lingle each had one T. D. Obtainance of the pigskin came from a pass interception by Beakes who at the last second lateraled to Lingle who completed the scoring of the game leaving a total of 46-26. Wayne Tatum kicked four of the six extra point attempts.

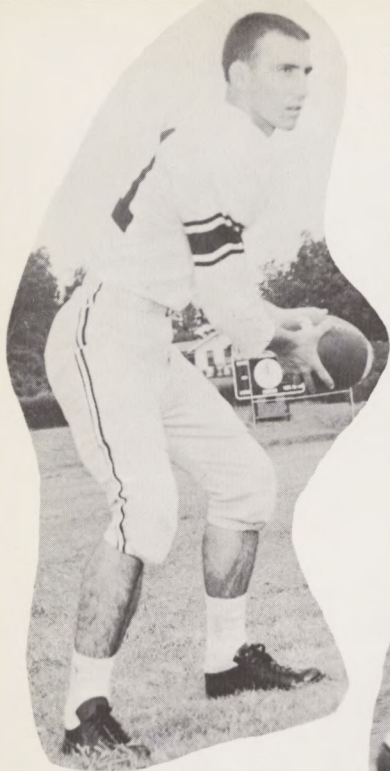

M. C. 7; Livingston State 14

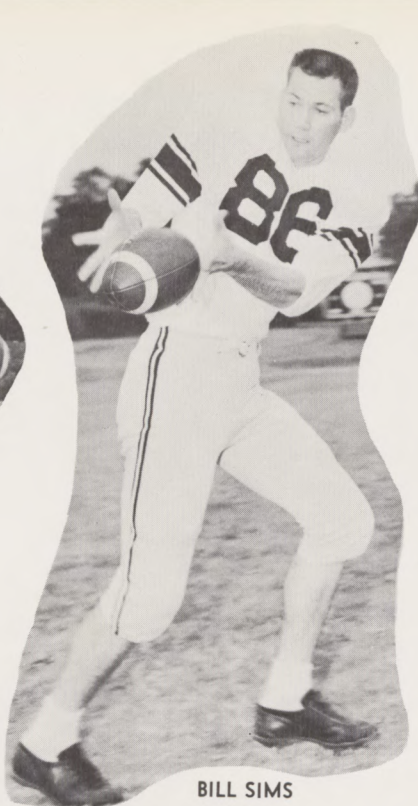

Several hundred Mississippi College students traveled by chartered bus and cars to Livingston, Alabama to see the last game of the season for the Choctaws. The Choctaws, hoping to finish the season with a "best in years record," fell to Livingston 7-14 in the biggest upset of the year. The Livingston State Tigers, who had not won a game all season, showed off before a jammed packed homecoming crowd and stunned the faithful Choc followers. The Tigers scored twice with both conversions good before the Choc-

taws went into the end-zone. It was the fourth quarter when Naylor raced 44 yards to paydirt. Tatum completed M.C.'s scoring of the afternoon with an extra point making the final score 14-7. The Chocs threatened later in the quarter but time ran out before they could tie the game. This ended the season for the Chocs with a 5 won, 2 lost, 1 tie record.

BASKETBALL

1957-'58

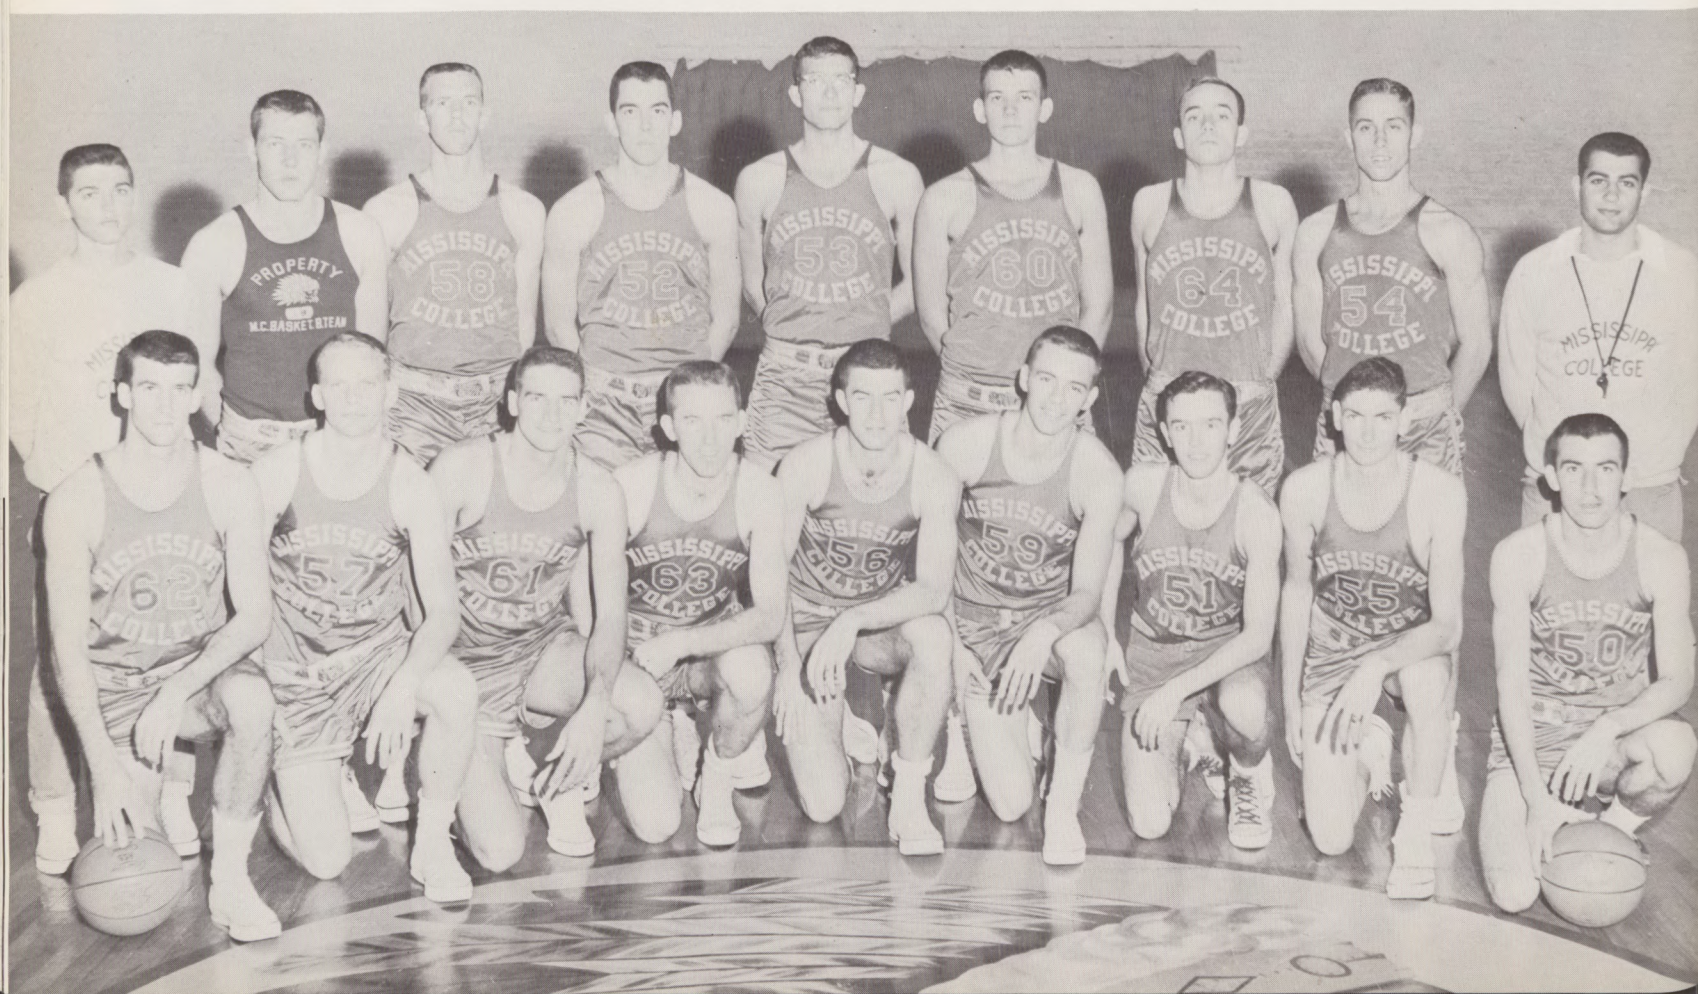

With only two lettermen returning from the 1956-1957 basketball team, the Mississippi College Choc-taws desparately fought throughout the season. Although the relatively inexperienced team's record was seven wins and eleven loses, showings of a good future team is evident. A combination of the Mills brothers, Jake and Joe; Ponder and Lawrence, star Freshmen of last year; and two year letterman Hutton lead the Chocs in seven wins under the coaching of James Allen. Two of our wins came from the dropping of Millsaps on two different occasions.

A very fine and capable coach, James Q. Allen, directed this years team through a good season. Although Coach Allen has had better seasons as far as wins and loses are concerned, his team had a tremendous spirit and unity throughout the season.

BASEBALL

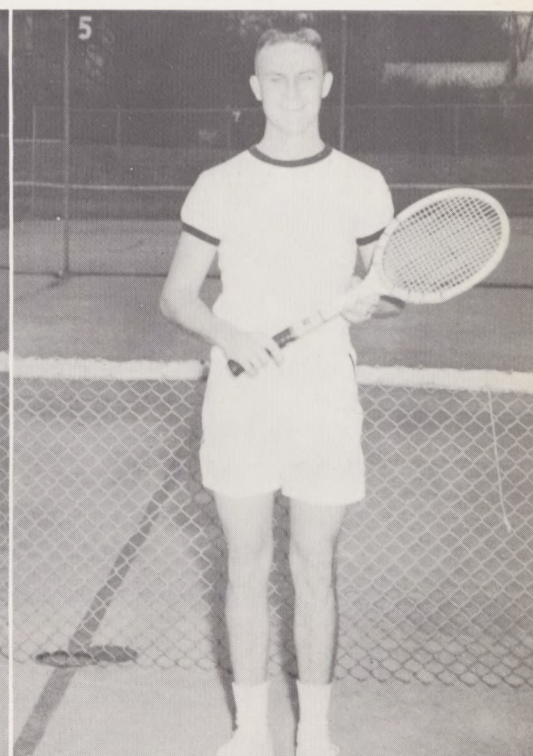

With a 1957 season record of 15 wins and 8 losses the 1958 Choctaw Baseball team was ready to field another fine team and hope to improve on last years outstanding record, even though this years schedule was somewhat tougher than last years. Several returning lettermen—Bryan, Steenhuis, Winborne, Hutton, Thompson made the prospects look bright for another good year. A transfer, Edmund Gary from Ole Miss., was also counted on very heavily by the Chocs to aid the team. The Chocs hoped to improve their record in beating Millsaps four out of four times as to three out of four times last year, and Freddie Hutton tried to break his old record of the most home runs hit in one year.

With five returning lettermen M.C. looked for its brightest season. Charles Davis, Jimmy Milner, John Robin Bradley, Eddie Young, and Bill Crosby carried the load for the Choc netmen. A promising freshman, Will Blackwell, helped to fill the empty slot and added some strength.

Such teams as Millsaps, Belhaven, Springhill of Mobile, Mississippi Southern, and the University of Mississippi helped make up a tough schedule for the Tribesmen. But the Chocs played well and showed true M.C. spirit.

DISTANCE AND MIDDLE DISTANCE RUNNERS

First row from left to right: Johnny Snell, Jimmy Tucker, Jerry Bozeman, Paul Moody, Truman Albriton. Second row from left to right: Dick Carol, Philip Matalka, Larry Grantham, Larry Ziglar, Robert Vernon.

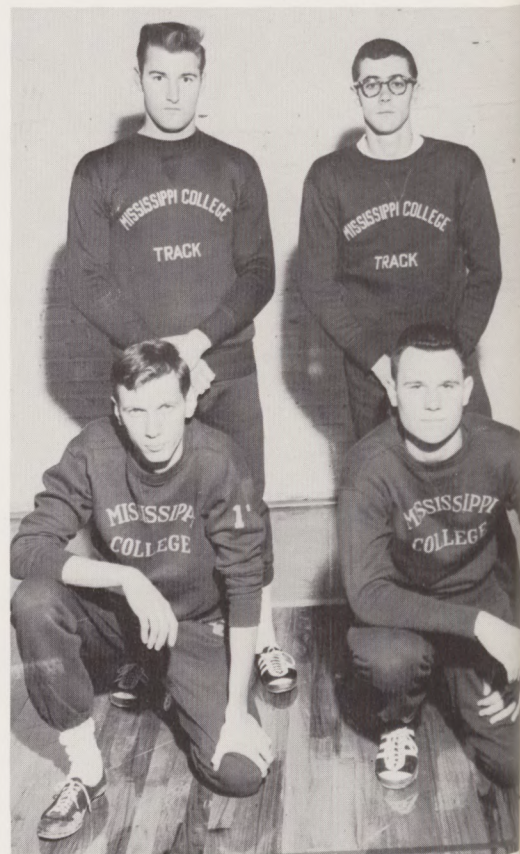

The loss of such stars as Virgil Tullos, Jim Wilson, Hilton Lane, and Bill Biedenbarm will be a problem for Coach Parkman this year, but the star-studded track team is expected to be as glorious as in the past.

Cliff Mansfield, high point man last year with 49 points, will lead the cinder-men along with Price Toler, who had an even 40 points. Many others who didn't get into the selected forty point circle, but who developed some needed experience, will help anchor the team.

Equipment having been issued and shoes fitted, Coach Parkman was ready to field another Cross-Country Team. This year was a rebuilding one for the Choctaw cindermen. With only one regular returning and the loss of last years star, Bud Gordon, a majority of the load was placed on new in-experience men. Despite the record of one win, five losses these boys looked great besides the competition they ran against. Cliff Mansfield was the big gun, coming in first in every race except

one, and that against State when he finished second. The 1957 Record was:

This was a real nice clam-bake
We're mighty glad we came
The vittles we et were good, you bet!
The company was the same.

When you walk through a storm,
hold your head up high.
And don't be afraid of the dark,
At the end of the storm
is a golden sky. And the
sweet silver song of a lark.

When I marry Mister Snow.
The flower'll be buzzin'
with the hum of bees,
The birds'll make a racket
in the church-yard trees.

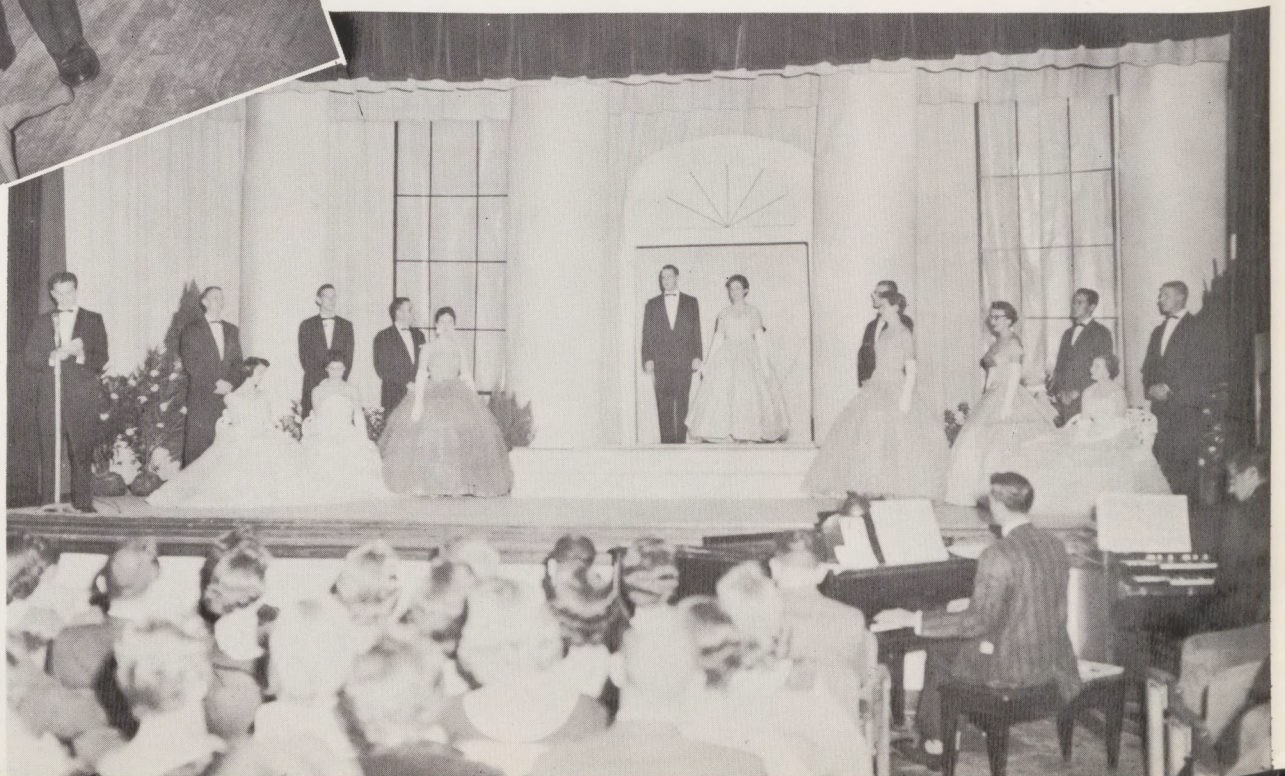

What's the use of wond'rin' if
he's good or if he's bad,
Or if you like the way he wears
his hat?
Oh! whats the use of wond'rin'
if he's good or if he's bad?
He's your feller and you love
him. That's all there is to
that.

MISS MARY GRACE HORRELL
Photographer

Horrell Photographers began business in April of 1953 and have photographed for the TRIBESMAN for the last three years. The TRIBESMAN Staff was so pleased with the photography in the class and feature sections in the previous years, that we did not open bids to other photographers in the Jackson area. The entire Horrell family works together to give Jackson and Mississippi the very best photography available.

On April 2, 1958, Horrell's Studios had open house celebrating their fifth anniversary in Jackson.

The 1958 TRIBESMAN Staff and the student body of Mississippi College want to congratulate Horrell Photographers on their fifth anniversary and wish them continued success in the future.
